Dear Miss Nicolet:

Proposed Annexation No. 325 to  
the City of El Monte (Detachment  
from the City of Industry)

At the meeting held August 28, 1963, the County Boundary Commission reviewed the boundary description and map submitted by Mr. Manning, Director of Public Works, with his letter of August 9, for the proposed annexation of territory to the City of El Monte.

The boundaries submitted conform with record lines, lines of ownership, and existing city boundaries; and no island or corridor of unincorporated territory is created by the boundaries.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code. With these revisions the Commission approved the boundaries for the proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed.

Very truly yours,

GORDON T. NESVIG
